To diminish the difference between underperforming children against national expectations. To ensure that targeted children meet age-related expectations by July 2018.	Appraisal target for all teachers. Pupil Progress and Attainment meetings-targeted children	Underperforming pupils are making accelerated progress through the use of targeted support that is assessed and reconsidered every half term. Feedback/observations/monitoring from support staff who have had bespoke training to improve the quality of support for SEND pupils as supported outcomes.	PPAMs will continue to support teachers in knowing their pupils needs; support staff will be part of the process. Feedback/monitoring cycle to develop support staff to embed and support regular practice. Class teachers have targets to support their SEN pupils.	None

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>
Access to expert advice and training for staff working with pupils with learning needs or behavioural and emotional needs. As a result of this support, pupils needs will be met and they will be able to make good or better progress.	Educational Psychologist	Applications for High Needs funding were successful with the assessments supporting. EP provided PD for support staff which helped to develop knowledge and strategies for supporting children with social, emotional and behaviour needs. Reports from EP supported teachers and staff to pinpoint next steps specifically for pupil's needs.	The Educational Psychologist will be supporting staff in their PD rather than assessment only. This will support sustainability with a reduced number of days and a cheaper SLA. Staff will be trained in ELSA programme which will provide a more sustainable model of delivery for pupils with social, emotional and behaviour needs. The EP will continue to provide assessments for funding and also training as needed.	£9000
To deliver an effective and integrated Early Help offer for children and families in Newham.	Family Support Worker & Family Liaison Officer	Supported with admissions to ensure clear transition to school with a detailed understanding of the child's needs. Provided bespoke support for families as needed. Provided Early Help support for identified families which has reduced the risks for vulnerable children.	Continue to work closely with the Inclusion and Safeguarding Teams to ensure high quality support for families.	£51716

<p>Children's sensory needs are met.</p>	<p>Occupational Therapist</p>	<p>Clear, supervised and supported programmes have not only allowed pupils to make significant improvements from their baseline assessments but have allowed support staff and parents to develop awareness. Staff have become more capable and confident in running OT sessions. 1:1 sessions have also been provided weekly to meet the individual needs.</p>	<p>Inclusion Lead has ensured that pupil's needs will be met with a clear strategic plan for the OT provision and SLA for the next academic year. This includes supporting the ASD pupils in their new withdrawal classroom and also with a focus on supporting in EYFS and providing whole staff training on meeting the needs of all learners in the classroom.</p>	<p>£15456.60</p>
<p>To meet the mental health and well-being needs of vulnerable children.</p>	<p>School Counsellor - Place 2 Be</p>	<p>Place2Be is a fundamental part of Portway's approach in supporting pupils. It utilised a child led and creative therapeutic approach to support children's mental health and well-being at Primary Primary School through one-to-one counselling, Place2Talk, Parent Partnership support and staff support (Place2Think).</p>	<p>Use data from survey to develop next steps for staff and children's well being. - This will feed into children's learning and behaviour in class. Continue to work with Place2Be to develop staff's understanding of children's mental health. A visit from the Department of Health stated that they will take lessons from our practice. Mental Health Champions and link with Place 2 Be is providing long term support for Subject leader and LB to introduce Mental Health and well being throughout the curriculum in 2018/19 INSET led by place2be lead to introduce the idea of children's mental health and well being amongst staff.</p>	<p>£19000</p>

			Staff feelings regarding mental health recorded - used to plan focus for new academic year.	
To raise levels of engagement in physical activity and activity levels. Develop children's understanding of healthier lifestyles.	PE Leader Bradley Smith	An awareness of being healthy is addressed in PE lessons. Children have an understanding of why we warm up and what happens to their bodies during exercise. All lessons have a physical activity focus. Children are physically active for the majority of PE lessons and when taking part in after school clubs. Children are physically active at lunch time too.	To focus on children being more physically active at the beginning of the school day and during active lunchtimes. Through the development of the morning mile and pupil's voice in developing targeted activities at break/lunch time.	£12887
Differences in achievement are diminished. All pupils achieve their targets. All pupils are exam-ready.	Out-of-hours teaching: Holiday schools After school/before school booster	Pupil feedback showed how much more confident pupil's felt by being part of Action Tutoring.
