Spring Term 1 – Week 6

Dear Portway Families,

It has been so interesting to look back over the past two terms of newsletter updates, what a busy year it has been! The children have: taken part in (and won) competitions; gone on many educational visits; made screen prints; attended workshops; learnt how to stay safe on line; donated to charity; performed in concerts; made bread; made an animation video; taken part in work week and much more.

The school has been awarded: the Gold Award for safeguarding, the Silver School Games Mark; an arts award; the bronze Eco Award; the Silver Youth Sports Quality Mark and many others. These outcomes are testament to the commitment of the children to their own learning, to our dedicated staff and to your continued support as well.

We hope you have a wonderful holiday and look forward to seeing you in the summer term when we will share the outcomes of our recent Ofsted inspection with you.

Magic Breakfast

We are very excited to launch our National School Breakfast programme after Easter, which is being delivered by the charities Family Action and Magic Breakfast.

This will enable children to have access to a healthy and nutritious breakfast every morning, which will give them the best possible start to the school day and ensure they are engaged and ready to learn.

This breakfast scheme will run alongside our already established breakfast club, which is being rebranded as 'Rush Hour'.

'Rush Hour' will continue to run every morning from 7.30am, with a cost of £2 per child.

This is to certify that the pupils of
