Design and Technology visit to RIBA (architectural company)

Children from across all year groups at Portway, were selected to participate in a Design & Technology workshop at RIBA (Royal Institute of British Architects).

The aim of the RIBA schools programme is to empower young people with the skills and confidence to play an active role in the shaping of their built environment.

Children's clothes bank

As we know, children grow fast and buying children's clothes and shoes can be expensive. We would like to be able to offer families a selection of used clothes and shoes to be able to relieve some of the pressures this can bring.

Can You Help?

All donations of clothes and shoes (with plenty of use) for children and babies welcome.

Please ensure donated clothes are clean!

Please send items to the front office for attention of Louise Frempong, Family Support Worker.

Once we have enough donations we will inform families of the date of our first Clothes Bank.

Clothes will only be given to those with children of that age to ensure there is enough for all!
