20th December 2018

Dear Parents and Carers,

### **Published KS2 SATS results**

You may well already have seen the national Key Stage 2 SATS results via various media channels last week. Portway is delighted with their validated results, which are as follows:

- Portway's progress data puts them in **the top 10 of Newham schools** - a truly fantastic result which was recognised in the Newham Recorder article published on the 17th December.
- **75% of Year 6 children** reached the 'expected standard' across reading, writing and maths - a result which puts them in the **top 40% of all 92 schools and colleges in Newham**, and above both the figure in London (70%) and a full **11% above the 64%** national figure.
- In addition, **10% of Year 6 children** reached the more challenging 'higher standard' in all 3 areas - a result which puts us in the **top 50% of schools in Newham**.

These results are testament to the relentless efforts of the children, teachers, school leaders and all the support staff at Portway Primary School, who work to ensure that all children in their care achieve the best possible outcomes. Portway has gone from strength to strength over the past 3 years since it went into Special Measure in 2015 but I know from first hand experience that it has taken hard work, commitment and a lot of resilience, especially from Jacqui and her school leaders to ensure that Portway is on a secure path to achieve a significantly improved Ofsted grading in the next inspection.

I am delighted to be able to share these fantastic results with you and I would also like to take this opportunity to personally thank Jacqui, her Leadership Team and all school staff for their hard work and commitment to the school and the Leading Learning Trust.

I wish you all a peaceful holiday break. We look forward to welcoming the children back to school on **Monday 7th January 2019**.
