Highlight of the week

Last week, we were delighted to meet the Nigerian long jump champion.

After an inspiring assembly where he demonstrated his skills and answered lots of questions from the children, each class took it in turns to take part in a challenge circuit of exercises.

"It was so much fun to see how I can train at home and it found it inspiring – it made me want to try new sports."
(Makayla – Year 5)

Each half term, we announce the names of the children who scored most points while completing activities on Mathletics.

Here are the winners for the Summer 1 half term:

Friday 13th July will be the last chance to be crowned half termly winner in this academic year...so log on and score points!
