The Yorkshire Way

This week, classes across the school have launched their new humanities topic.

Year 4 started their unit, 'The Yorkshire Way' by having a Yorkshire tea party. The Wendsleydale cheese was a unanimous highlight!

It is always excellent to see children trying new things and watching them change their minds when they realise that they like something they hadn't tried before!

Congratulations to Whitechapel class with 98.8% attendance.

A very well done to Moorgate class with 98.5% and Mile End class with 98.1%

Farming Fun!

Year 6's next trip was to Newham City Farm. The trip was planned to launch their new humanities topic, which is entitled, 'The Story of Chocolate'.

The main purpose of the trip was to learn about how milk is made in UK farms so that the children can go on to understand how chocolate is made all over the world.

We learned how milk is made.

We got to make butter!

Samantha, from Old Street, said, "It was fascinating to learn about different breeds of cows and how the milk is used to make food products like cream, butter and ice-cream."

Going Walkabout

Both Year 1 and Year 3 went on local walks to kick off their new geography units.

Year 3 learned to use maps.

Ask your child what they learned to do on their trip.
