## Life in the 1900s

"Even children had to go to work and sweep the chimneys!"  
Darnell, Green Park

Year 1 had a very interesting visit from a lady who lived 100 years ago! She told us all about what it was like to go to school, what our houses would have looked like and even the sort of things we would have worn if we had lived during those times.

We asked her lots of questions and decided that life is a lot easier nowadays!

## Children's clothes bank

As we know, children grow fast and buying children's clothes and shoes can be expensive. We would like to be able to offer families a selection of used clothes and shoes to be able to relieve some of the pressures this can bring.

## Can You Help?

All donations of clothes and shoes (with plenty of use) for children and babies welcome.

Please ensure donated clothes are clean!

Please send items to the front office for attention of Louise Frempong, Family Support Worker.

Once we have enough donations we will inform families of the date of our first Clothes Bank.

Clothes will only be given to those with children of that age to ensure there is enough for all!
