

After-school care at Portway

Do you need to balance home, childcare and work responsibilities? Are you looking for affordable, convenient, enriching extra-curricular provision, with a sport focus?

We are delighted to be able to offer parents and carers a solution. Our new Zones 3-6 provides:

- A healthy, stimulating after-school environment
- Expert sports coaching by specialist sports coaches
- Peace of mind for parents that their children are benefiting from structured exercise, helping them develop life-long healthy habits
- On site provision, meaning that children are both settled and don't have to travel - with a range of nutritious snacks included
- A high quality, reliable and affordable service that will develop fitness and well-being.

We look forward to welcoming your child to Zones 3-6. To find out more, please go visit our website or get in touch with the school office.
