Parking Restrictions

Thank you to all parents who raised concerns about the parking outside of school. We took your concerns on board and asked the council to paint new zigzag lines. Thank you to all parents who do not park here and we hope that other families will also park in the marked bays.

RE Conference Day at Park Primary School

On Tuesday 30th April, some Year 2 Children attended an RE Conference Day at Park Primary. The theme for this conference was 'What is Peace?'. The children were taught P4C (Philosophy for Children) Skills, where they discussed the concept and then had to come up with their own question. The question was 'Is peace, love and kindness the same thing?'

Some great discussions came from this where the children debated their ideas with reasoning. The day ended with them making their own wristbands where they had to use symbols and write a slogan about something they had learned during the day that was important to them.
