

Year Nursery Why is Water Wet?

Term – Spring 2

We will be looking at water in different forms, including: how we use water and rainy weather.

We will begin by looking at the texture of water thinking about water feels like and where we might have seen water before. What are our own experiences of water? Drinking water, bathtime etc.

We will then look at different types of weather and what it looks like in our environment when its raining e.g. cloudy, puddles on the ground, grey sky etc.

This term we will be learning...

All about why water is wet, including personal experiences, weather and the seaside.

Educational experiences:

If you have any photos of yourselves experiencing water: seaside, rainy weather etc please bring in to share.

Key Information

Please encourage your child to practise writing their name, phonic sounds and counting up to 10 at home.

Please make sure your child is wearing their house colour PE t-shirt for PE days, which are Monday PM for PM children and Wednesday AM for AM children. House colour tops are available for sale at school on Wednesdays at 3:00 PM.

English

So far we have learned the phonic sounds:
m, a, d, s, t, i, n, p, g, o, C, k, u, b, f, e, l, h,

In Spring 2 we will be learning:

sh, r, j, v, y, w, th, z, ch, qu, x, ng, nk

We will be reading:

Mr Wolfe's Pancakes, Rain, The Rainy Day, The Flying Bath, Kipper's Rainy Day, Tiny Cloud

Science

- Can talk about some of the things they have observed such as plants, animals, natural and found objects.
- Shows care and concern for living things and the environment

Mathematics

Number:

- Identify & write numbers 0-10
- Find 1 more/1 less with a number of objects 0-10

Space, shape & measure:

- Length
- Size

Computing

- Knows how to operate simple equipment, e.g. turns on CD player and uses remote control.

To support this statement if you have a CD player at home that you can donate or lend to the Nursery, please speak to the class teacher.

You might like to join in with our learning at home by:

Reading

- The Rainy Day
- Tiny Cloud

Watching

<https://www.youtube.com/watch?v=ncORPosDrijl>

Doing

- Exploring in the rain and discussing water at bathtime.

Visiting

- Visiting the seaside,
