Year 5 & 6 Quadkids Athletics Competition

What's on for Portway Families

This term we have some exciting workshops and activities such as Family Gardening & Cooking, Teen Triple P Group and Wonderful Baby, Wonderful You.

If you are interested in any of our workshops or would like to find out some more information, please contact our Family Liaison Officer – Wendy Zadigue

STAY COOL IN SCHOOL

As the warm weather approaches we would like to encourage parents to ensure their child is wearing suitable clothing which allows them to remain comfortable and cool in school during the hotter days.

It is also very important to stay hydrated so please ensure your child brings a water bottle to school every day.

Place of Worship Competition

At Portway Primary School we appreciate and celebrate the different Faiths and Religions that are represented in our school. A project was set for the children in all year groups to create a Place of Worship that is important to them. This was then entered into the Borough Wide Competition. When next come into our school, have a look at the wonderful models that the children have created. I personally believe that our school should win and I'm sure you will agree!

Art Outcome

Here is a look at the 3D sculptures made by Year 4 and 5 children in Art club. Children were asked to think about what is important to them and how they felt about it, in order to create these wonderful sculptures.

Accredited Until 2019
