Absence Calls

If your child is unwell or is not attending school due to an appointment, please call the school office first thing in the morning on 0208 472 7142 option 1.

Children's Mental Health Week

This week children have been celebrating Children's Mental Health Week by talking in class about their own mental health. We have been exploring the different feelings we may experience and what we can do to help ourselves feel better. All of the classes have explored who they can talk to about these feelings, where they can go to find support and what strategies they can use to support themselves. We have produced different pieces of art to represent these strategies and people who support us which will be displayed on our whole school display of the Colour Monster.

Place 2 Be Family Counsellor

At Portway we have a counsellor available specifically for families who feel they need some emotional support.

Our parent counsellor's name is Daniella and she offers sessions to parents on Thursdays. To find out more please contact Cíosa on 020 8472 7142.

Year 4 Rainforests

This term year 4 is learning about the Amazon Rainforest. We had an amazing opportunity to see and touch some of the creatures that live in the rainforest.
